# ABOUT SNIDER HOCKEY

The Ed Snider Youth Hockey Foundation is a 501 (c) (3) charity serving over 3,000 inner-city children that uses the sport of ice hockey coupled with a rigorous off-ice life skills curriculum and supplemental educational services to build character and academic skills for inner-city youth from Philadelphia and Camden.

Hockey is simply the hook that is used to gain and hold the attention of these boys and girls so that we can keep them fully engaged in activities that strengthen physical, academic and emotional development.

## YOUR SUPPORT - MATCHED!

Prior to his passing, Ed Snider had the foresight to provide us with the means to continue his policy of matching all donations received by supporters of the organization.

By registering for the 2018 Inaugural Snider Hockey Chair tournament, gifts from first-time contributors will be matched on a 3 to 1 basis, thus **quadrupling your impact** on Snider Hockey students! Gifts from past contributors will be matched on a 1 to 1 basis, thus **doubling the impact**.
