FREQUENTLY ASKED QUESTIONS

How old do I need to be to register?

Junior Coach registration is open to all Snider students in grades 9th-12th.

My schedule is really busy and I'm not sure I'll have time to volunteer each week. Can I still register?

Yes! Scheduling will be very flexible to accommodate student needs. Only 1 hour per month is required.

What kind of things will I get to do as a Junior Coach?

Help new skaters get the proper equipment, assist during on-ice practices, learn the fundamentals of effective coaching, work one-on-one with rink staff, and much more.

Does Junior Coach count toward service hours for my school?

Yes! Junior Coaches submit their hours after each practice and Coach Anne keeps track of how many hours each Junior Coach completes throughout the season. Hours may then be applied to any school requirements.

What if I have more questions?

Reach out to Coach Anne, Learn to Lead Coordinator, directly with all questions at ACleary@SniderHockey.org.
