

TRIBUTE GIVING AT SNIDER

Honor a lost loved one, recognize someone special, or commemorate a milestone by making a tribute gift in your honoree's name that will create opportunities for under-resourced youth of the Greater Philadelphia Region to prosper in life.

Memorial Gifts

Honor the memory of someone special with a thoughtful donation. A memorial gift is a meaningful way to pay your final respects. We'll notify their loved ones of your gift, which allows their legacy to live on by making an impact at Snider.

Honor Gifts

An honor gift can celebrate someone close to you or a special occasion such as: Anniversary, Bar or Bat Mitzvah, Birthday, Graduation, and more.

► **Customized Tribute Fundraising Page**

Snider will set up a customized tribute fundraising page to encourage others to mark a milestone with you. Make a page to celebrate honor or memorial gifts. We can add photos of your loved one and custom text.

► **How Your Honoree is Notified**

When a tribute gift is made, donors have the option to notify a loved one. Snider staff communicates all tribute gifts with the individual's loved one.

► **Make a Specific Impact**

Are you interested in dedicating funds raised towards a specific program area or Snider initiative? Development staff can discuss additional ways to honor tribute gifts and how to make a lasting impact.
